

Reef Life Sculpture

by Kim Reid

These ceramic reef life art sculptures are displayed in Plexiglas cases with beveled edges. Airbrushed mirrors are used for background depth. Fish and corals are painted with acrylics for ever lasting beauty.

Sizes range from 24"x 36" to 18"x18" with box depth from wall of 4". Prices range from \$1200 to \$2800 for these breath taking sculptures. Contact sales for price, size and availability.
